

Class of 2026 Group Dinner Reservations | Wednesday, April 29

To help groups get to know one another, **a reservation has been made for each Class of 2026 group**. Please note that **dinner is self-funded**, so everyone will be responsible for their own tab. You can view your group's dinner reservation details here, or find them on the P2P Hub under the New Members page.

Reservations are under the name of someone randomly selected from your group—don't worry, this doesn't mean they're responsible for the bill or on the hook if plans change.

If you don't plan to use the reservation, just give Kat Castillo (kcastillo@ppsapta.org) a quick heads-up so we can cancel it and avoid any fees. Thanks!
