

PPS ANNOUNCES A NEW **VENDOR PRESENTATION HOUR** AT PPS 2019!

Open to all sponsors and exhibitors.

Interact with our attendees as a subject matter expert, plan an educational session, offer a product demo, or offer a Q&A on your business solution.

Meeting space is available on first-come-first-served basis.

What is the PPS 2019 Vendor Hour?

PPS is offering 15 of our existing meeting rooms for our exhibitors and sponsors to rent between 7:30-8:30 AM on Friday, November 1. Present, do a product demonstration, host a coffee hour, offer a Q&A, or share your own version of a business solutions room. The 7:30-8:30 hour is unopposed time and will allow you to showcase a new treatment approach or business solution to highly interested prospects.

WHEN:

FRIDAY, NOVEMBER 1

HOW WILL PPS PROMOTE THE NEW VENDOR HOUR?

We will include a mention in the Program Guide about the Vendor Presentation Hour noting company, speaker, and content; and include a push notification via the conference App to all PPS 2019 attendees 15 minutes prior to the Vendor Hour.

HOW CAN EXHIBITORS AND SPONSORS PROMOTE THEIR PRESENTATIONS?

Network. Network. Network. Attendance isn't guaranteed however vendors can order the mailing list (\$200) to promote their vendor hour presentation to all conference attendees in October, advertise in the PPS 2019 conference packet, and invite attendees while onsite all day Thursday in the Exhibit Hall. For those who arrive Wednesday and hold a networking badge or full conference badge, make sure you attend Wednesday evening's President's Reception and invite our attendees to come to your presentation.

RESTRICTIONS:

Only PPS sponsors and exhibitors can reserve a meeting room at PPS 2019. CEU's will not be offered. If you reserve a room without AV, you can still order exactly what you need directly from Clarity, our Audio-Visual service contractor. Only product demos in compliance with federal and state law and satisfying all licensure requirements in the state of Florida are permitted.
