

WelcomeWare®

Your Complete Front Desk Solution

"WelcomeWare has enabled us to realize a 50% reduction in front-office headcount. In addition, we are seeing higher collections, roughly 95% or more in every clinic."

Michael Edgington
Regional VP of Operations

Reduce operating costs • Ensure front desk/registration coverage
Increase collections and scheduled-outs • Facilitate a positive patient experience

WelcomeWare offers a comprehensive solution, empowering Healthcare Practices and Hospital Systems to scale their front desk teams across any location, at any time, with an all-in-one hardware and software platform.

LYNCH
PHYSICAL THERAPY

“WelcomeWare has been a great addition to our practice. It has saved us huge amounts of time and money while providing competent and reliable staff. The Welcomers are now an interwoven part of our team, just like previous in-person staff, and are excellent with all patient interactions. Highly recommended!”
