

# The AI-powered billing service built exclusively for PT practices

## OUR APPROACH

Yesterday's billing solutions can't keep up with today's AI-powered payers.

Brace Health combines **experienced PT billers** with an **AI-native platform** that continuously **learns and improves** from your practice.

Every practice has a **dedicated biller** that **manages your entire revenue cycle** -- creating the **feel of an in-house billing team**.

## YOUR RESULTS

**5-10%**

**Average increase in revenue**  
across payer and patient collections

**90 min**

**Response time**  
from your full-cycle biller, available via call or email at any time

**1 day**

**Onboarding time**  
with a dedicated onboarding agent and a direct EMR integration

**Trusted by top independent PT practices across the US**
