What is the Administrators' Network?

The Administrators' Network, a partner program exclusive to the Private Practice Section (PPS), identifies and develops relevant and valuable educational resources for physical therapist-owned business administrators and office managers. The Network additionally provides networking opportunities for the exchange of business and practice management strategies. The Network participant must be employed by an active PPS member. Participants can only be non-PTs and must not be eligible for membership in PPS or APTA.

How is the Administrators' Network Committee organized?

The Administrators' Network Committee is led by a chair and supported by a staff liaison. The Committee is also supported by a Board liaison who represents the Network to the Board of Directors. Due to the scope of identifying and developing educational resources, the Committee is also supported by the staff Education Specialist.

The Administrators' Network Committee may hold one seat on the following PPS Committees/Work Groups: Annual Conference Program Work Group, *Impact* Editorial Board, Marketing Committee, Government Affairs Committee, and Payment Policy Committee. The Administrators' Network Committee chair will seek one volunteer to participate as a liaison to each of the above-listed PPS committees. The committee member is usually appointed for a three-year term and may be re-appointed for no more than a total of two consecutive terms of service. **Volunteers begin their term at the Annual Conference.** Additional volunteers may be invited to participate in the committee by the chair without approval of the PPS board to serve on project-specific task forces on an as-needed basis.

How often does the Administrators' Network Committee meet?

The Administrators' Network Committee meets one time in-person each year, typically at the PPS Annual Conference. The Committee may hold 3-4 conference calls a year at the discretion of the chair. Committee volunteers will be notified in advance of conference calls. If a volunteer has a scheduling conflict, that volunteer is responsible for notifying the chair in advance of the meeting.

Who pays my expenses?

When preapproved by the Board, expenses incurred at face-to-face meetings will be reimbursed for a reasonable amount pursuant to the Section's Financial Policies and Procedures. A reimbursement form with original receipts must be submitted to the PPS office to receive payment.

What are my responsibilities?

Volunteers are expected to attend the PPS Annual Conference.

Other responsibilities include active participation, prompt responses to messages, and the following:

1. Attend face-to-face meeting and conference calls.
2. Research, develop, and support best practices for physical therapist-owned business administrators and office managers.
3. Volunteer to support Committee, Work Group, and Task Force strategic goals and objectives.
4. Market the value of the Administrators' Network to section members, and their administrators.
5. Identify leaders in the Administrators' Network for mentorship into Committee, Work Group, and Task Force participation.
6. Make recommendations for authors in the Administrator's Edge column of Impact magazine
7. Assist the committee in planning and recruiting speakers for 4 webinars per/year.

What are the qualifications?

- Must be an Administrator's Network member in good standing.
- Must be organized and detail-oriented to complete assignments.
- Must maintain a working e-mail address in the Network database.
- Must be able to respond to queries promptly.
- Must attend the PPS Annual Conference & Exhibition.
